

From 1/1/2004 To 12/31/2004

Program

- 108-999-04-001-L01 - Update on Hepatitis A, B and C
- 108-999-04-021-L01 - Appropriate Use of Fluoroquinolones
- 108-999-04-022-L01 - Antimicrobial Stewardship
- 108-999-05-003-L01 - Update on NSAID Safety Issues

- 108-999-03-050-L01 - The JNC VII: Overview of the new guidelines for the treatment of hypertension

- 108-999-04-026-L01 - Optimizing Antibiotic Usage and Minimizing Resistance

- 108-999-04-023-L01 - Dyslipidemias: Appropriate Drug Therapy for Selected Patient Populations
- 108-999-04-024-L01 - New Drug Update: FDA Drug Approvals 2003
- 108-000-04-000-L01 - 2004 Spring Seminar
- 108-000-04-002-L01 - Update on the Treatment of CAP

- 108-000-04-003-L01 - Continuous Renal Replacement Therapy: An Introduction
- 108-000-04-004-L04 - Importation of Pharmaceuticals: Implications
- 108-000-04-005-L01 - Obesity - The Surfacing of an Epidemic
- 108-000-04-006-L01 - New Drug Update

- 108-000-04-007-L04 - Personal Perspective of Alzheimer's: Day is Ending
- 108-000-04-008-L01 - Management of Alzheimer's Disease

- 108-000-04-015-L01 - Menopause: Prescription and Non-Prescription Treatment Modalities
- 108-000-04-016-L03 - Pharmacy Law for the Pharmacy Technician
- 108-000-04-017-L04 - Total Parenteral Nutrition for Technicians
- 108-000-04-009-L01 - Oncology Update

- 108-000-04-010-L01 - Radiation and Chemotherapy-Induced Nausea Vomiting
- 108-000-04-011-L01 - Overview of Pediatric Nutrition

- 108-000-04-012-L01 - Antidepressant Use in Pediatrics and Adolescents

- 108-000-04-013-L02 - An Update on the Treatment of HIV Pharmacotherapy

- 108-000-04-014-L01 - Clinical Issues and Treatment Options Surrounding Treatment of Resistant Staphylococcus aureus Infections

- 108-000-04-018-L04 - The 2004 JCAHO Medication Management Standards
- 108-000-04-019-L04 - Redesign of the Medication Use System
- 108-000-04-020-L04 - Pharmacy's Future
- 108-999-04-025-L01 - The Science of Combination Vaccine

- 108-999-04-027-L01 - Update on Strategies for Management of Gram-Positive Infections
- 108-999-04-028-L01 - Antimicrobial Therapy for the New Millennium

- 108-999-04-029-L01 - Optimizing the cost-effectiveness of 5-HT₃ Receptor Antagonist Therapy: An Update
- 108-999-04-030-L01 - Difficult to Treat Hospital Infections

108-999-04-032-L01 - Concepts in the Treatment of Invasive Aspergillosis
108-999-04-034-L01 - Topic: Review of Overactive Bladder
108-999-04-033-L01 - Updates in Travel Medicine
108-999-04-031-L01 - Pre-diabetes: Small Steps. Big Rewards
108-999-04-035-L01 - Use of Immune Fab Antivenin in the Treatment of Copperhead Envenomation and Digitalis Poisoning

108-999-04-036-L01 - Short Course Fluoroquinolone Therapy Considerations
108-999-04-037-L01 - Acid Suppression in the Hospital Setting

108-999-04-040-L01 - Appropriate Use of Intravenous Proton Pump Inhibitor (PPI) Therapy
108-999-04-038-L01 - Argatroban and HIT: an Overview

108-999-04-041-L01 - Defusing Thrombotic Risk: DVT Prophylaxis and Treatment
108-999-04-056-L01 - Schizophrenia: What is it?
108-999-04-022-L01 - Antimicrobial Stewardship
108-999-04-022-L01 - Antimicrobial Stewardship
108-000-04-000-L04 - 2004 Fall Seminar
108-000-04-042-L01 - Challenges Encountered in Palliative Care
108-000-04-043-L04 - Cindy: A Story of Love

108-000-04-044-L04 - Considerations for Implementing Pharmacy Automation
108-000-04-045-L01 - Principles of Evidence-Based Medicine

108-000-04-046-L01 - Practical Applications of Evidence-Based Medicine

108-000-04-053-L01 - Diabetes Drug Therapy: Journey of Therapeutic Options

108-000-04-054-L01 - Managing the Chronic Complications of Diabetes Mellitus

108-000-04-057-L01 - Pharmacist's Role in Reducing Antimicrobial Resistance

108-000-04-047-L01 - Evaluating the AAN's Treatment Guidelines for New Antiepileptic Drugs

108-000-04-047-L01 - AAN's Treatment Guidelines for New Antiepileptic Drugs
108-000-04-048-L01 - Antimicrobial: Best in Class
108-000-04-049-L01 - Managing Acute and Chronic Pain
108-000-04-050-L03 - Overview of USP 797 Standard
108-000-04-051-L03 - Legislative and Regulatory Update
108-000-04-052-L04 - Self Deception

108-999-04-055-L01 - Adult TPN: An Overview of Patient Assessment, Prescription, and Monitoring

108-999-02-020-L01 - Pathogenesis, Microbiology, and Treatment Options for Nosocomial Pneumonia

108-999-04-058-L01 - HEPARIN-INDUCED THROMBOCYTOPENIA: CHALLENGES AND CONSEQUENCES

108-999-04-059-L01 - Emerging Changes in Diabetic Care: Rapid Acting Insulin

108-999-04-039-L01 - The Failing Pump: Recent Advances in the Recognition and Treatment of Heart Failure

108-999-04-061-L01 - Migraine: Pathophysiology and Treatment

108-999-04-062-L01 - The Use of Low Molecular Weight Heparin in Special Populations

108-000-00-004-L01 - Pediatric Vaccine Update

108-999-04-060-L01 - Women and Heart Disease: Assessing Coronary Artery Disease in Women

108-999-04-063-L01 - Treatment and Prevention of Stroke
