Department of Clinical Pharmacy  
University of Tennessee  
Memphis, Tennessee

Thursday, September 4, 2008  
6:30 PM – Registration  
7:00 PM – 8:00 PM – Presentation  
Dinner will be served.

The Palm  
1750 Tysons Boulevard  
McLean, Virginia 22102  
Tel: (703) 917-0200  
Complimentary valet has been arranged.

**Educational Objectives**

- Define anemia and iron deficiency anemia
- Describe the clinical and economic impact of anemia
- Review normal erythropoiesis and explain the pathophysiology of anemia for several common disease states
- Review treatment options for iron deficiency anemia
- Discuss the pharmacokinetics and safety of currently available IV iron preparations
- Identify pharmacoeconomic benefits of balancing ESA and iron therapy

**Target Audience**

This program has been designed for nephrology pharmacists who are interested and involved in the care of patients with iron-deficiency anemia.

**Commercial Support**

We appreciate the educational grant from Watson, who made this program possible.

**Pharmacy Accreditation Statement**

Medical Education Resources (MER) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. MER designates this continuing education activity for 1 contact hour (0.10 CEU) of the Accreditation Council for Pharmacy Education.  
Universal Program Number: 816-000-06-033-L04

Participants will be required to sign in at the start of the program and/or complete a program evaluation form. Statements of credit will be mailed within four weeks of receipt of appropriate documentation of course completion.

**Disclosure Policy**

It is the policy of Medical Education Resources, Inc. to ensure balance, independence, objectivity, and scientific rigor in all sponsored or jointly sponsored educational programs. In accordance with the ACCME's Standards for Commercial Support, all planners and faculty or authors involved in the development or presentation of CME/CE content are required to disclose their relevant financial relationships with commercial companies whose products or services may be mentioned in the faculty's presentations so that participants may evaluate the objectivity of the presentation.

**Registration**

To register for this program, please complete the attached form and submit it to Collegium, the medical education company handling all program logistics.
